In making his present nominations the Murrai Cam does not seem to have kept these principles in view inasmuch as only 4 names have been proposed and no Vaidik gentlemen are included among them. Further, gentlemen who are not disciples of the mutt can come in only if they are Vaidiks, and therefore the nomination of Mr N. Venkatarao, who is a Vaishnava gentleman, is perhaps open to question. It is also not clear, as pointed out in the Office note, why the name of Mr V.B Srikantaiya, who is stated to be one of the prominent disciples of the mutt and who, according to the Murrai Cam, evinced much interest in the affairs of the mutt, is now omitted. as a member of the present Committee,

3) It is for consideration if the number of members may not be kept at 5 as at present, including Mr Srikantaiya among them, and getting a Vaidik gentleman substituted for Mr Venkatarao Then there will be 4 Smartas & 1 Vaidik gentleman.

It is also ascertained that he is willing to serve on the -- committee. He presumes that the meetings of the committee will not be ordinarily oftener than once a month and if they are more frequent, he fears that they may interfere with his mining business.

With reference to your letter no. 67/Fin.101-1-3 dated 15th January 1932 re the personnel of the Committee to supervise the education of the Swamigalu of the Sringeri Mutt, I beg the honor to state that of the gentlemen proposed in my letter of the 15th December 1931 and 7th January 1932, Sri Subba Rao and Sri Brahmasastry are disciples of the Sringeri Mutt and it will be quite possible to include more disciples in the proposed committee as the circle of disciples from which a selection could be made is limited.
